Program Eligibility

Building must be a customer of CenterPoint Energy in Minnesota with a commercial account. Buildings must have a minimum of five housing units, with a minimum of 66% of the units occupied by income eligible households. Eligibility can be demonstrated in any of the following manners:

- Buildings pre-qualified for the Department of Energy Weatherization Assistance Program (WAP) are automatically eligible. Please submit documentation of WAP eligibility or contact your CenterPoint Energy account manager.
- Buildings certified for the Minnesota Low Income Rental Classification (LIRC) are automatically eligible. Please submit a copy of your LIRC certification or contact your CenterPoint Energy account manager.
- Use Restrictions or Mortgage Covenants which restrict a minimum of 66% of housing units to income eligible households can be used to demonstrate eligibility. Please submit a copy of the Use Restriction or Mortgage Convent.
- Other means of demonstrating eligibility, including (but not limited to) participation in the project-based Section 8 voucher program or other county or state funded program may be acceptable. Please contact your CenterPoint Energy account manager.

Qualifying Customers

CenterPoint Energy commercial rebate programs are available to CenterPoint Energy business gas customers that install qualifying equipment in CenterPoint Energy's service territory.

How to Apply for Rebates

1. Complete rebate application for each installation address. Electronic rebate forms can be found at **CenterPointEnergy.com/Foodservice**
2. Rebate applications must include a dated copy of the paid, itemized invoice(s). Invoices must include brand, complete model number, purchaser's name and installation address.
3. Dealers/Trade Ally partners participating in the incentive program are required to include your six digit ID number. If you do not know your ID number, please contact CenterPoint Energy at 612-321-5470 or 800-234-5800 ext. 5470.
4. If you have questions, please contact your CenterPoint Energy account manager or one of our energy efficiency experts to discuss and/or complete the rebate application form.
5. Keep a copy of this document for your records.
6. **Mail, email or fax completed paperwork to:**
   Foodservice Learning Center
