WATER HEATER REBATE

OKLAHOMA

CenterPoint Energy

This rebate form is for new qualifying High Efficiency Gas Water Heaters

Program dates: Jan. 1, 2021 through Dec. 31, 2021

1) Review the **Terms & Conditions** on the back of this form to ensure all program requirements are met.
2) The new water heater must be listed in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR website. See website: **www.ahridirectory.org** or **energystar.gov/products.**
3) A paper rebate application will need to be completed if Plumber doesn't submit an application through our dealer online rebate processing system. Application must be submitted in the same calendar year that the equipment was installed.
4) Attach a copy of the detailed sales/installer invoice and supporting required documentation from the company that installed the water heater or if self-installed, the retailer receipt/invoice.
5) Make a copy of the completed rebate application for your records and mail paperwork to the address at the bottom of the form.

WATER HEATER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in an Oklahoma home or business served with natural gas service from CenterPoint Energy between Jan. 1 and Dec. 31, 2021. All completed applications must be postmarked by Dec. 31, 2021 to be considered for a rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

NEW CONSTRUCTION INSTALLATION

For New Construction Installations, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home you must obtain an invoice from your builder or plumber.

One application must be competed for each qualifying water heating installed.

		REBATE	
Type of new natural gas water heater	**Rating as listed on AHRI or ENERGY STAR website. See ahridirectory.org or energystar.gov/products**	**New natural gas equipment for new construction or replacement of natural gas water heater**	**New natural gas equipment that replaces electric equipment** CenterPoint Energy will examine natural gas usage history to confirm eligibility for electric replacement rebate levels.
Tankless	0.80 UEF or higher	$500	$900
Commercial Tank - 75,000 BTU/hr or greater	88% Thermal Efficiency or higher	$200 per 100,000 BTU, not to exceed 25% of total equipment cost	$900

POINT OF SALE (POS) OPTION

Dealers and Installers who deduct the rebate at Point of Sale will be eligible to receive rebate payments directly from CenterPoint Energy. To participate Dealers must register through **CenterPointEnergy.com/PointOfSale**.

ONLINE REBATE SUBMISSION

Purchaser will receive their rebate faster than a paper form if the plumber submits the rebate application and electronic dated sales invoice through our dealer online rebate processing system.

MAIL-IN REBATE OPTION

A paper rebate application will need to be completed if the plumber doesn't submit an online application on the customer's behalf. The purchaser of the water heater and a representative from the plumber are required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement or online at CenterPointEnergy.com/MyAccount.

PROOF OF PURCHASE AND INSTALLATION

Plumber Purchase/Install: A clear detailed copy of the installation invoice/receipt from the plumber to the purchaser must be included with the completed rebate application. **Required information on dated sales Invoice Includes: The purchase price, brand and complete model number of the water heater and the dealer company name and address.**

Retail Purchase/Self Installed: A clear copy of the dated sales invoice/receipt from the retailer to the purchaser must be included with the completed rebate application. The receipt must describe the water heater that was purchased. It cannot be a packing list, recall or generic receipt.

CenterPoint Energy is unable to accept applications that do not include all of the requested information.

ELECTRIC-TO-GAS REQUIREMENT

Include a photo of the existing water heater that is being removed and shows the area around the piece of equipment. Also include a photo of the rating plate of the electric water heater being removed. The rating plate must be legible and include the brand, model and serial number.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. CenterPoint Energy reserves the right to refuse payment and participation if the purchaser or the purchaser's contractor violates program terms and conditions. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you have not received payment after 12 weeks, you may call 612-399-1545 or email RebateCenter@CenterPointEnergy.com.

Rebate checks are issued from our Houston, TX office and expire in 90 days from date check was issued.
