

# OKLAHOMA HEATING SYSTEM REBATE

Program dates: Jan. 1, 2013 through Dec. 31, 2013

Please complete one form per heating system purchased. To receive your rebate, please submit all requested information, including a copy of the dated invoice from your heating dealer, along with all requested signatures. Invoice should include brand, complete model number and serial number. In order to secure your rebate, submit your rebate application within 90 days of installation or by year end (Dec. 31), whichever comes first.

Please see other side for more information. If you have additional questions, contact us at OklahomaEfficiency@CenterPointEnergy.com or call 888-498-0409.

Send completed form with dated invoice to:

CenterPoint Energy Heating System Rebate, 401 W. Capitol Ave., Suite 102, Little Rock, AR 72201

It is the responsibility of the dealer and the purchaser to ensure that the program requirements are met. If program requirements are not met, no rebate will be paid.

\* Customers with a heat pump are eligible for back-up heating rebate only.

\*\* CenterPoint Energy assigns a Dealer ID number to participating heating dealers. If ID number is not assigned, rebate can be submitted without it. Installer should contact us to acquire a Dealer ID number.

# OKLAHOMA HEATING SYSTEM REBATE

## REBATE GUIDELINES

The qualifying equipment must be installed in a home or business with natural gas service from CenterPoint Energy in Oklahoma between January 1 and December 31, 2013.

**Dealers/Installers are not eligible to receive their customer's rebate.**

**Building contractors should negotiate with homeowners to determine who receives the rebate.**

**Equipment installed under warranty replacement does not qualify for the rebate.**

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate applies to new natural gas equipment listed and AFUE verified in the Air Conditioning, Heating and Refrigeration Institute (AHRI) directory. See: [www.ahridirectory.org](http://www.ahridirectory.org)

New Natural Gas Equipment	Energy Efficiency Requirements	REBATE AMOUNTS		
		New natural gas equipment for <u>new construction</u> or replacement of natural gas heating equipment	New natural gas equipment that replaces electric resistance heating or heat pump*	New natural gas equipment provides back up heating to a heat pump
Forced-air furnaces	80 to 89.9% AFUE	-0-	-0-	\$125
	90 to 94.9% AFUE	\$300	\$2,000	\$175
	95% AFUE or higher	\$400	\$2,000	\$175
Direct vent wall furnace	80% AFUE or higher	\$200	\$2,000	-0-
Hydronic heating systems	82% AFUE or higher	\$300	\$2,000	-0-

\*CenterPoint Energy will examine natural gas usage history to confirm eligibility for electric replacement rebate levels.

## REBATE APPLICATION

Work with your heating dealer to complete the entire rebate application and obtain a dated sales invoice showing the detail of what was purchased and installed.

## DATED SALES INVOICE

- Must be included with the completed application.
- Must include the brand, complete model number and serial number.
- Must include the purchaser's name and installation address.

**We are unable to accept applications that do not include all of the requested information.**

## REBATE PROCESSING

Rebate will be issued for equipment installed between Jan. 1, and Dec. 31, 2013.

In order to secure your rebate, please send in your rebate application within 90 days of installation or by year end (Dec. 31), whichever comes first.

Account number must be activated for installation address in order for rebate to be processed.

Completed rebate forms are awarded in the order received until program funds are depleted. Rebate qualifications and amounts are subject to change. Rebate funds are limited. Program funds are anticipated to be available annually and are subject to approval from the Oklahoma Corporation Commission. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time. Please check website for program updates at: [CenterPointEnergy.com/OklahomaRebates](http://CenterPointEnergy.com/OklahomaRebates).

CenterPoint Energy is not responsible if the dealer/installer does not provide accurate information about the amount of a rebate or equipment eligibility.

CenterPoint Energy issues a cash rebate, not utility bill credits. Please allow 6-8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork.

## APPLICATION CHECKLIST

- Dated sales invoice or receipt - include brand, complete model number, and serial number
- Purchaser signature and date
- CenterPoint Energy account number or meter number
- Dealer/Installer signature
