

Energy assistance is available. Apply now!

Free money may be available to pay part of your annual energy costs. Applicants are eligible for assistance once a year.

IMPORTANT Energy Assistance Resources

Call NOW for help in paying your energy bills.

State Energy Assistance Information 1-800-657-3710

To be directed to a local assistance office near you.

CenterPoint Energy 612-372-4680 toll-free 800-729-6164 [CenterPointEnergy.com/ paymentassistancemn](http://CenterPointEnergy.com/paymentassistancemn)

To establish a payment plan and learn how you can apply for energy assistance.

To qualify for assistance you must meet the following eligibility guidelines

Household Size	Past three months gross income
1	\$5,655
2	\$7,395
3	\$9,135
4	\$10,875
5	\$12,615

- * Eligibility is based on household gross income for the past three months (before the month you apply) and household size.
- ** Applicant may own or rent their home.

Homeowners eligible for Energy Assistance are also eligible for emergency repairs or replacement of a non-repairable furnace.

(Proof of ownership required.)

Minnesota's Cold Weather Rule protects residential customers from service disconnection from Oct. 15 through April 15. However, you must establish a payment plan with CenterPoint Energy to ensure service is not interrupted. Call CenterPoint Energy at 612-372-4680; toll free 800-729-6164.
