

# Commercial LED Lighting Program

## LIST OF QUALIFIED SERVICE PROVIDERS

January 15, 2012

Service Providers on this list have met the eligibility requirements and received training to participate in the CenterPoint Commercial LED Lighting Program. Inclusion on this list, however, does not represent endorsement by CenterPoint or the Program of any Service Provider's products or services.

### INSTALLATION SERVICE PROVIDERS

Installation Service Providers may perform all Project-related services, including installation.

All Projects must register an approved Installation Service Provider.

### CONSULTATION SERVICE PROVIDERS

Consultation Service Providers may provide limited Project-related services—excluding installation—such as recommending lighting measures, designing installations, etc.

Customers choose to engage a Consultation Service Provider at their own discretion.

Company	Last Name	First Name	Phone	Email	Website
