

CenterPoint Energy Houston Electric, LLC

Credit Review Process

for Competitive Retailers / Retail Electric Providers

It's easy to do business with CenterPoint Energy. Establishing credit worthiness is just one part of the process. Please provide the following information to the Credit Department when you execute your Delivery Service Agreement with CenterPoint Energy:

- ◆ The legal name of the Competitive Retailer
- ◆ A list of the officers, directors, and/or partners
- ◆ A copy of the most recent 12-month audited financial statement, annual report or 10-K report. Unaudited financial statements are acceptable if signed by an officer of the entity
- ◆ A list of all of the corporate affiliates, including the parent company and all subsidiaries
- ◆ The name of a financial contact person and their telephone number
- ◆ What is the total forecasted number of customers in the CenterPoint Energy service area
- ◆ Of that total, what number/percentage of customers will comprise the following customer classes?

Residential

Commercial less than 400KV

Commercial greater than 400KV

Industrial

If further information is required in our evaluation process, we will contact you directly. For questions about the credit evaluation/review please contact us at 713-207-7622.
