What is Enhanced Supply?

- Higher service level to reduce number of curtailment days
- Cap on number of natural gas curtailment days for interruptible customers
- Full refund of all Enhanced Supply fees if target cap exceeded
- One-year contract with auto-renewal option

Why should I consider it?

- Minimize risk of curtailment penalties and the extra cost of alternate fuels
- Full refund of fees if curtailment cap is exceeded

How much will it cost?

- Variable fee based on desired level of curtailment reduction
- Service availability limited by geographic location – call for details

What else do I get?

- Can be added to existing CenterPoint Energy Services contracts
- Personal attention from your CenterPoint Energy Services account manager
- Ready access to detailed natural gas market information
- Simple, easily understood invoicing and multiple facilities can be billed on a single invoice
- Security of doing business with a solid, experienced, national energy company
