Foster Wheeler USA Corp. Moving Katy Area-Energy Corridor

Foster Wheeler USA Corp. is moving its headquarters to the Energy Corridor and to the Katy Area. The company has leased over 300,000 sq. ft. in Phase I of The 13 story Energy Center located at Eldridge and I-10 which is being built by Trammell Crow. Foster Wheeler will move 1,000 employees in June 2008 to the Energy Center and plans hire another 400 to 500 employees in coming years. Jackson Cooksey represented Foster Wheeler and CB Richard Ellis handled the leasing of the Energy Center. Katy Area EDC President thanked Foster Wheeler and Trammel Crow for their tremendous investment in the Energy Corridor, the Katy Area and the Katy Independent School District. LaCour noted that the EDC helped identify sites for the project during the site selection process.
