Total overdue amount on current natural gas bill.

I am requesting the right under Minnesota Statute 325E 028 to make installment payments on my utility bill based on the military service status of a member of my household. My total household income is \$ _____/month. I understand that CenterPoint Energy has the right to verify my household income and the military status of my household member who is in the military service.

I have attached a copy of the applicable military orders, as well as information regarding my monthly household income level (recent paycheck stub or bank statement showing payroll deposit).

PLEASE CHECK:

- I have included a copy of applicable military orders.
- I have included documents to verify the monthly income of all household wage earners.
