

## Retired Employees Club 2018 Luncheon and Volunteer Event

**Tuesday, June 5, 2018**  
**11:30 am – 1:30 pm**

**New  
Location**

**Houston Marriott South**  
9100 Gulf Freeway  
Houston, Texas

CenterPoint Energy retirees and their guests are invited to attend the 2018 retired employees club luncheon and learn about several exciting company initiatives. A panel of speakers will share some of their experiences in restoring power in Puerto Rico following the devastation of Hurricane Maria, and a video will address Hurricane Harvey response in our own area. We'll also have an opportunity to learn about recent CNP communications and community relations activities. Before and after the luncheon representatives of United Healthcare and Caremark will be on hand to respond to your questions.

Please note the change in location. Brady's Landing, the restaurant we have used for the last few years, was severely damaged in the aftermath of Hurricane Harvey and remains closed. We are moving to the Houston Marriott South near Hobby Airport, a hotel that we used a few years ago.

Doors will open at 9:30 am for retirees who would like to participate in a short volunteer project. We will pack items in bags to be delivered to a nonprofit organization. Community Relations staff will be on hand to help you record your volunteer hours and set up your profile for CNP Cares. A plated lunch with petite sirloin and herb chicken will be served at 11:30, with the program to follow. A vegetarian plate will also be available. The luncheon will conclude with election of new officers, announcement of the retiree volunteer of the year, and drawings for prizes.

CenterPoint Energy is paying the entire cost of the luncheon, but it is critical that you return the form below so that we can anticipate the size of the group.

Questions about the luncheon? Contact our treasurer, Anna Marie Weller, by phone at 281-282-0410 or by email at [weller3825@aol.com](mailto:weller3825@aol.com).

**Please cut on the dotted line below.**
