

Appetizing Energy Solutions for YOU

Save money and improve energy efficiency.

Whether your business is a school cafeteria, office building, restaurant, healthcare facility, or another type of foodservice operation, we have rebates that can help you reduce energy costs, add efficiency and increase quality. CenterPoint Energy's natural gas equipment rebate program will help you improve your facility's energy efficiency for less.

Equipment and customer eligibility

- CenterPoint Energy commercial customers who install qualifying equipment at a location with natural gas service from CenterPoint Energy in Arkansas or the Texas communities of Nash, Redwater, Texarkana or Wake Village
- Equipment must meet program specification requirements. For programs listed with FSTC or ENERGY STAR®, refer to the following accredited websites:
 - Food Service Technology Center (FSTC)
Fishnick.com/saveenergy/rebates/qpl
 - ENERGY STAR® EnergyStar.gov/cfs
- Rebates apply to new equipment only.
- Replacing electric equipment with natural gas equipment is not eligible for a rebate.

Program dates: Jan. 1– Dec. 31

To secure your rebate, applications and dated sales invoices must be RECEIVED by DEC. 31.

How to apply for rebates

Three simple steps to receive a rebate:

1. Use our **online** fill-and-print forms to apply for rebates at your convenience.
CenterPointEnergy.com/Foodservice
2. **Mail in rebate form so it is received by Dec. 31.**
Allow six to eight weeks for rebate processing.

Arkansas Commercial Rebate Processing
CenterPoint Energy
401 W. Capitol Avenue, Suite 102
Little Rock, AR 72201
3. **Rebate applications must include a dated copy of the paid, itemized invoice(s).** Invoice(s) must include brand, complete model number, purchaser's name and installation address.

Note: See detailed qualifications, rules and requirements on the rebate application.
