\$400	Residential Replacement or New Construction	Forced-air furnace	95% AFUE or higher

PURCHASER/REBATE RECEIPIENT

Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or retailer.

Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

Rebate Recipient

Dealers and retailers are not eligible to receive their customer's rebate.

APPLICATION

CenterPoint Energy Gas Account Number

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount. In addition, the gas account must be activated for the installation address for the rebate to be processed.

Proof of Purchase and Installation

A clear copy of the dated sales invoice from the heating dealer to the purchaser must be included with the application. Required information on the invoice includes details of the heating system that was purchased, **including the brand and complete model number and the dealer information**. The invoice must match the information on the application. A proposal or estimate are not acceptable forms for proof of purchase. Additional documentation may be requested from CenterPoint Energy.

Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31st, 2024, for equipment installed in 2024. In addition, paper applications must be post-marked by the postal service by 12/31/24. We are unable to receive/process rebate requests for equipment installed prior to July 1, 2024.

PROCESSING

CenterPoint Energy is not responsible if the dealer does not provide accurate information about the rebate amount or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs can be cancelled or changed at any time.

REBATE

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy received the completed application. If you have not received a notification or payment after 10 weeks, you may email RebateCenter@CenterPointEnergy.com or call 612-399-1545.
