

LA RESIDENTIAL SMART THERMOSTAT REBATE

DEALER TERMS AND CONDITIONS

EQUIPMENT

The qualifying equipment must be installed in a LOUISIANA home served with natural gas from CenterPoint Energy between July 1 and December 31, 2024.

Equipment must be new and listed on current manufacturer's website. The equipment cannot be used, refurbished, or installed under warranty replacement.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate - Limit of one thermostat rebate per gas service account	Type of Installation	Type of Thermostat
\$75	Replacement or New Construction	Smart and Web-enabled
For a list of eligible thermostats go online to CenterPointEnergy.com/ThermostatRebate .		

PURCHASER/REBATE RECEIPT

Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or retailer.

Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

Rebate Recipient

Dealers and retailers are not eligible to receive their customer's rebate.

APPLICATION

CenterPoint Energy gas account number

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount. In addition, the gas account must be activated for the installation address for the rebate to be processed.

Proof of Purchase and Installation

A clear copy of the dated invoice/receipt from dealer to the purchaser must be included with the application. The receipt must describe the thermostat equipment that was purchased, including the brand and complete model number of the thermostat and the dealer information. The invoice must match the information on the application. A packing list or recall invoice are not acceptable forms for proof of purchase. Additional documentation may be requested from CenterPoint Energy.

Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31st, 2024, for equipment installed in 2024. In addition, paper applications must be post-marked by the postal service by 12/31/24. We are unable to receive/process rebate requests for equipment installed prior to July 1, 2024.

PROCESSING

CenterPoint Energy is not responsible if the retailer does not provide accurate information about the rebate amount or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs can be cancelled or changed at any time.

REBATE

IMPORTANT: The purchase price of the thermostat must be greater than the rebate amount.

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy received the completed application. If you have not received a notification or payment after 10 weeks, you may email RebateCenter@CenterPointEnergy.com or call 612-399-1545.

LA RESIDENTIAL SMART THERMOSTAT REBATE

DEALER APPLICATION

Before you complete the rebate application

1. Verify that the thermostat brand and model number is listed on our eligible thermostat resource guide at [CenterPointEnergy.com/ThermostatRebate](https://www.centerpointenergy.com/ThermostatRebate). Verify that the purchase price is greater than the rebate amount listed in the thermostat resource guide.
2. Confirm that the invoice from the dealer has all the required information listed in the Proof of Purchase and Installation.
