RESIDENTIAL WATER HEATER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a Minnesota home served with natural gas from CenterPoint Energy between January 1 and December 31, 2022. All completed applications must be postmarked by December 31, 2022 to be considered for a rebate.

Plumbers and dealers are not eligible to receive their customer's rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate applies to new equipment only.

NEW CONSTRUCTION INSTALLATIONS

No rebate will be paid if the home completes CenterPoint Energy's High Efficiency Home™ program. See CenterPointEnergy.com/HighEfficiencyHomes for more information.

For eligible New Construction installations, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home, you must obtain an invoice from your builder or the retailer/plumber.

Atmospheric equipment is not eligible for New Construction rebate.

One application must be completed for each qualifying water heater installation.

For a list of eligible tank water heaters go online to CenterPointEnergy.com/WaterHeaterRebate.

ONLINE REBATE SUBMISSION

Customers will receive their rebate faster than a paper form if the dealer submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

MAIL-IN REBATE OPTION

A rebate application will need to be completed if the dealer doesn't submit an application on the customer's behalf. The purchaser of the water heater and a representative from the plumber/dealer are required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount.

PROOF OF PURCHASE AND INSTALLATION

A clear copy of the dated sales invoice/receipt from the dealer to the purchaser must be included with the rebate application.

Required information on dated sales invoice includes: Brand and complete model number of the water heater and the dealer company name and address.

CenterPoint Energy is unable to accept applications that do not include all the requested information.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you haven't received payment after 12 weeks, you may call 612-399-1545 or email RebateCenter@CenterPointEnergy.com.

Checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.
