RESIDENTIAL HEATING SYSTEM REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a Minnesota home served with natural gas from CenterPoint Energy between January 1 and December 31, 2023. All completed applications must be post marked by December 31, 2023 to be considered for a rebate.

Heating dealers are not eligible to receive their purchaser's rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

RESIDENTIAL NEW CONSTRUCTION INSTALLATIONS

No rebate will be paid if the home completes CenterPoint Energy's High Efficiency Home™ program. See CenterPointEnergy.com/HighEfficiencyHomes for more information. New construction rebates are put on a 60 day hold prior to processing, for High Efficiency Home Program verification.

For eligible New Construction installations, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home, you must obtain an invoice from your builder or heating dealer.

ONLINE REBATE SUBMISSION

Customers will receive their rebate faster than a paper form if the heating dealer submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

MAIL-IN REBATE OPTION

A rebate application will need to be completed if the heating dealer doesn't submit an application on the customer's behalf. The purchaser of the heating system and a representative from the heating company are required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement or online at CenterPointEnergy.com/MyAccount.

PURCHASER EMAIL ADDRESS

Clearly enter your email address in the Purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

PROOF OF PURCHASE AND INSTALLATION

A clear copy of the dated sales invoice/receipt from the dealer to the purchaser must be included with the completed rebate application.

Required information on dated sales invoice includes: Brand and complete model number of the heating system and the heating company name and address.

CenterPoint Energy is unable to accept applications that do not include all the requested information.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the heating company does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy receives your completed paperwork. If you haven't received a notification or payment after 10 weeks, you may call 612-399-1545 or email RebateCenter@CenterPointEnergy.com.

Checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.
