

WATER HEATER REBATE PLUMBER

OKLAHOMA

This rebate form is for new qualifying High Efficiency Gas Water Heaters purchased and installed by a plumber.

Program dates: Jan. 1, 2019 through Dec. 31, 2019

- 1) Review the **Terms & Conditions** on the back of this form to ensure all program requirements are met.
- 2) The new water heater must be listed in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR website.
See website: www.ahridirectory.org or energystar.gov/products.
- 3) A paper rebate application will need to be completed if Plumber doesn't submit an application through our dealer rebate processing system.
- 4) Attach a copy of the detailed sales/installer invoice from the company that installed the water heater or if self-installed, the retailer receipt/invoice.
- 5) Application must be submitted in the same calendar year that the equipment was installed.

WATER HEATER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in an Oklahoma home or business served with natural gas service from CenterPoint Energy between Jan. 1 and Dec. 31, 2019. All completed applications must be postmarked by Dec. 31, 2019 to be considered for a rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

NEW CONSTRUCTION INSTALLATION

For New Construction Installations, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home you must obtain an invoice from your builder or plumber.

Type of new natural gas water heater	Rating as listed on AHRI or ENERGY STAR website. See ahridirectory.org or energystar.gov/products	REBATE	
		New natural gas equipment for new construction or replacement of natural gas water heater	New natural gas equipment that replaces electric equipment CenterPoint Energy will examine natural gas usage history to confirm eligibility for electric replacement rebate levels.
Tankless	0.80 UEF or higher	\$250	\$900
Tank - less than 75,000 BTU/hr	0.70 UEF or higher	\$50	\$900
Tank - 75,000 BTU/hr or greater	88% Thermal Efficiency or higher	\$200 per 100,000 BTU, not to exceed 25% of total equipment cost	\$900

One application must be completed for each qualifying heating system installed.

POINT OF SALE (POS) OPTION

Dealers and Installers who deduct the rebate at Point of Sale will be eligible to receive rebate payments directly from CenterPoint Energy. To participate Dealers must register through **CenterPointEnergy.com/PointOfSale**.

Point of Sale Requirements:

Invoice

The dated sales invoice must show that the CenterPoint Energy rebate was deducted from the purchase price.

Rebate Submission

Dealer can receive the rebate payment faster by submitting the rebate application and electronic dated sales invoice through our online dealer processing system. A paper rebate application will need to be completed if the dealer doesn't submit the rebate online. The dealer lists their company as the Purchaser and the dealer and signs as both the Purchaser and Dealer.

ONLINE REBATE SUBMISSION

Customer will receive their rebate faster than a paper form if the plumber submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

MAIL-IN REBATE OPTION

A paper rebate application will need to be completed if the plumber doesn't submit an online application on the customer's behalf. The purchaser of the water heater and a representative from the plumber are required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement or online at CenterPointEnergy.com/MyAccount.

PROOF OF PURCHASE AND INSTALLATION

Include a copy of the installation invoice from the plumber/installer to the purchaser.

The invoice must include: Builder/Homeowner name, installation address, install date, itemized invoice listing the brand, complete model number, serial number of the water heater and the dealer company name and address.

CenterPoint Energy is unable to accept applications that do not include all the requested information. Applications will be returned if any information is missing.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you have not received payment after 8 weeks, please call 612-399-1545 or email RebateCenter@CenterPointEnergy.com.

Rebate checks are issued from our Houston, TX office and expire in 90 days from date check was issued.

APPLICATION CHECKLIST

- All fields on form are complete
- Purchaser signature
