NATURAL GAS CLOTHES DRYER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in an individually metered residential home with natural gas service from CenterPoint Energy in Oklahoma between January 1 and December 31, 2021. Completed application must be postmarked by December 31, 2021 to be considered for a rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect and verify rebated equipment and installation.

CenterPoint Energy neither warranties equipment nor do we recommend any particular brands/models or installation contractors.

OFFER

- Equipment must be listed on ENERGY STAR website. Visit energystar.gov/products
- Rebate up to, but not to exceed \$450* for the purchase and installation costs of a new natural gas dryer. Rebuilt or refurbished equipment are not eligible.
- Offer available for new construction or replacement of electric clothes dryer* to a new natural gas model
- Rebate available for residential use only
- Limit one rebate per installation address

*CenterPoint Energy will examine natural gas usage history to confirm eligibility for electric replacement rebate levels.

Installer must comply with all applicable safety and code requirements. CenterPoint Energy is not responsible or liable for the safety and code compliance requirements of any activity rebated by this or any energy efficiency program.

NEW CONSTRUCTION INSTALLATIONS

For eligible New Construction Installations, the building contractor should negotiate with the homeowners to determine who receives the rebate.

If you are building a new home, you must obtain an invoice from your builder or the retailer/dealer.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customer can obtain their gas account number from their monthly statement, or online at CenterPointEnergy.com/MyAccount.

PROOF OF PURCHASE

A clear copy of the dated sales invoice/receipt must be included with the completed rebate application.

If a plumber installs the gas dryer, include installation invoice.

The receipt must describe the clothes dryer that was purchased. It cannot be a packing list, recall or generic receipt.

CenterPoint Energy is unable to accept applications that do not include all the requested information.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the retailer/dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time. CenterPoint Energy issues a cash rebate, not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you haven't received payment after 12 weeks, you may call 612-399-1545 or email RebateCenter@CenterPointEnergy.com

Checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.
