## TERMS & CONDITIONS

The Boiler Tune-up must be performed on equipment with natural gas service from CenterPoint Energy in Oklahoma between January 1 and December 31, 2019. All completed applications must be post marked by December 31, 2019 to be considered for a rebate.

## REQUIREMENTS

- Individual boilers are eligible for tune-up rebates only once every other calendar year
- All tune-up work must be completed as described to qualify for the rebate

Technician to complete the following for each boiler that qualifies for a Boiler Tune-up Rebate

- Measure combustion efficiency using an electronic flue gas analyzer
- Adjust air flow and reduce excessive stack temperatures
- Adjust draft control
- Check adequacy of combustion air intake
- Check fire side of heat exchanger

## REBATE

EQUIPMENT	REBATE AMOUNT
Boiler tune-up	\$95 per tune-up

## APPLICATION

- Entire rebate form must be completed.
- Work with your contractor to complete the entire rebate application and obtain a dated invoice that itemizes the tune-up costs.
- Only one rebate form completed per CenterPoint Energy account number/meter number.

## CONTRACTOR INVOICE

- Must be included with the completed application
- Rebate paid on labor, analyzer, supplies and truck charges only
- Must itemize tune-up costs
  - Qualifying items for rebate include:
    - Tune-up labor
    - Analyzer charges
    - Supplies for tune-up (grease, rags, CO2, silicone, etc.)\*
    - Truck charges\*

\*Rebate paid on labor analyzer, supplies and truck charges only

- Post-combustion efficiency reading must also be submitted to CenterPoint Energy

### **CenterPoint Energy is unable to accept applications that do not include all of the requested information. Application will be returned if information is missing.**

Account number must be activated for address of tune-up in order for rebate to be processed. Completed rebate forms are processed in the order in which they were received and are paid on a first-come, first serve basis. Rebate qualifications and amounts are subject to change. Rebate funds are limited. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time. CenterPoint Energy is not responsible if the dealer/installer/contractor does not provide accurate information about the amount of a rebate or equipment eligibility. CenterPoint Energy issues a cash rebate, not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork.

For additional rebate forms, visit [CenterPointEnergy.com/OKBusinessRebates](http://CenterPointEnergy.com/OKBusinessRebates).
