QUALIFICATIONS

1. Must meet the equipment and efficiency standards outlined in the following table:

Equipment	Efficiency requirement* (Certified by AHRI)	Rebate amount
Boilers: Space Heating/Water Heating	85% to 91.9% (certified by AHRI)	\$1,400 per MMBTU/hr input; Not to exceed 25% of equipment cost*, with a \$4,300/facility cap.
Boilers: Space Heating/Water Heating	92% or greater (certified by AHRI)	\$2,000 per MMBTU/hr input; Not to exceed 25% of equipment cost*, with a \$6,000/facility cap.

* Rebates are calculated on equipment cost only; not on taxes, labor, unattached material, piping, or controls.

For Boilers larger than 12.5 MMBtu, or those used in process applications, contact Olivia Barq at Olivia.Barq@CenterPointEnergy.com or call 601-709-2560.

2. Commercial account must use natural gas provided by CenterPoint Energy in Mississippi.
3. Only new equipment is eligible for rebate (no refurbished equipment); must be installed and fully operational at time of submitting rebate application.

APPLICATION REQUIREMENTS

Rebate Application

- In order to secure your rebate, submit your rebate application by year end (Dec 31) of year equipment is installed.
- Must be completely filled out with customer information, equipment information (including manufacturer, complete model number, serial number, installation date and boiler size in BTUH input).

Dated Invoice or Sales Receipt

- Must accompany completed rebate application and include:
pricing information with separate figures for equipment, labor and taxes; manufacturer; complete model number; and serial number.
- Must include purchaser's name and installation address.

CenterPoint Energy is unable to accept applications that do not include all this information. It is the responsibility of the purchaser to ensure that the installed equipment qualifies for the rebate. If it does not qualify, the rebate will not be paid. CenterPoint Energy reserves the right to inspect the installed equipment.

Account number must be activated for installation address in order for rebate to be processed.

Rebate qualifications and amounts are subject to change. Rebate funds are limited. Completed rebate forms will be processed in the order in which they are received until program funds are depleted. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time. Please check program website for updates at CenterPointEnergy.com/MSBusinessRebates.

REBATE DETAILS

CenterPoint Energy issues cash rebates in the form of checks, not utility bill credits. CenterPoint Energy is not responsible if the trade ally does not provide accurate information about the amount of rebate or equipment eligibility. Rebate checks will be mailed within 6-8 weeks and are paid on a first-come, first served basis. Rebate checks will be issued to the name listed on the CenterPoint Energy account.
