## PROOF OF PURCHASE AND INSTALLATION

A clear copy of the dated sales invoice/receipt must be included with the completed rebate application for each piece of equipment listed on the rebate application.

Required information on dated sales invoice includes: Builder/Homeowner name, installation address, brand, complete model number, serial number of the equipment installed and the dealer company name and address.

The invoice must also list the Smart Thermostat brand and complete model number if installed with the heating system listed on the rebate application.

**CenterPoint Energy is unable to accept applications that do not include all of the requested information.**

## PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you have not received payment after this time, call 612-399-1545 or email [RebateCenter@CenterPointEnergy.com](mailto:RebateCenter@CenterPointEnergy.com).
