HEATING SYSTEM REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a home or business with natural gas service from CenterPoint Energy in Arkansas or the Texas communities of Texarkana, Nash, Redwater or Wake Village between Jan. 1 and Dec. 31, 2020. All completed applications must be post marked by Dec. 31, 2020 to be considered for a rebate.

Heating dealers are not eligible to receive their customer's rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

One application must be completed for each qualifying heating system installation.

NEW CONSTRUCTION INSTALLATION

For New Construction Installations, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home you must obtain an invoice from your builder or plumber.

ONLINE REBATE SUBMISSION

Customer will receive their rebate faster than a paper form if the heating dealer submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

MAIL-IN REBATE OPTION

A paper rebate application will need to be completed if the heating dealer doesn't submit an online application on the customer's behalf. The purchaser of the heating system and a representative from the heating dealer are required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customer can obtain their gas account number from their monthly bill statement or online at CenterPointEnergy.com/MyAccount.

PROOF OF PURCHASE AND INSTALLATION

A copy of the dated sales invoice/receipt must be included with the completed rebate application.

Required information on dated sales invoice includes: Builder/Homeowner name, installation address, brand, complete model number, serial number of the heating system and the dealer company name.

The invoice must also list the ENERGY STAR smart thermostat brand and complete model if installed with the heating system listed on the rebate application.

CenterPoint Energy is unable to accept applications that do not include all the requested information.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you have not received payment after 8 weeks, please call 612-399-1545 or email RebateCenter@CenterPointEnergy.com

Rebate checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.
