# HEATING SYSTEM REBATE

## TERMS & CONDITIONS

The qualifying equipment must be installed in an Oklahoma home or business served with natural gas from CenterPoint Energy between Jan. 1 and Dec. 31, 2019. All completed applications must be post marked by Dec. 31, 2019 to be considered for a rebate.

**Equipment installed under warranty replacement does not qualify for the rebate.**

CenterPoint Energy reserves the right to inspect the installed equipment.

## NEW CONSTRUCTION INSTALLATIONS

**For New Construction installations, the building contractor should negotiate with homeowners to determine who receives the rebate.** If you are building a new home, you must obtain an invoice from your builder or heating dealer.

Heating system use (Back up to electric is not eligible for a rebate)	New equipment type	Rating as listed on AHRI or ENERGY STAR website. See <a href="http://ahridirectory.org">ahridirectory.org</a> or <a href="http://energystar.gov/products">energystar.gov/products</a> .	REBATE	
			New natural gas equipment for new construction or replacement of natural gas heating system	New natural gas equipment that replaces electric equipment. CenterPoint Energy will examine natural gas usage history to confirm eligibility for electric replacement rebate level.
Primary space heater	Forced-air furnace	90-94.9% AFUE	\$300	\$2000
Primary space heater	Forced-air furnace	95% AFUE or higher	\$400	\$2000
Primary space heating in a residential installation	Smart thermostat installed with a new qualifying heating system listed above	Must be listed on ENERGY STAR website	\$50	\$50

One application must be completed for each qualifying heating system installed.

## POINT OF SALE

Dealers and installers who deduct the rebate at Point of Sale will be eligible to receive rebate payments directly from CenterPoint Energy.

To participate, Dealer's company must be register through **CenterPointEnergy.com/PointOfSale**.

### Point of Sale Requirements:

#### Invoice

The dated sales invoice must show that the CenterPoint Energy rebate was deducted from the purchase price.

#### Rebate Submission

Dealer can receive the rebate payment faster by submitting the rebate application and electronic dated sales invoice through our online dealer processing system. A paper rebate application will need to be completed if the dealer doesn't submit the rebate online. The dealer lists their company as the Purchaser and the dealer signs as both the Purchaser and Dealer.

## ONLINE REBATE SUBMISSION

Customers will receive their rebate faster than a paper form if the heating dealer submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

## MAIL-IN REBATE OPTION

A paper rebate application will need to be completed if the heating dealer doesn't submit an online application on the customer's behalf. The purchaser of the heating system and a representative from the heating dealer are required to sign the rebate application.

## CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement or online at [CenterPointEnergy.com/MyAccount](http://CenterPointEnergy.com/MyAccount).

## PROOF OF PURCHASE AND INSTALLATION

A clear copy of the dated sales invoice/receipt must be included with the completed rebate application.

Required information on dated sales invoice includes: Builder/Homeowner name, installation address, brand, complete model number, serial number of the heating system and the dealer company name and address.

**CenterPoint Energy is unable to accept applications that do not include all the requested information. Applications will be returned if any information is missing.**

## PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you haven't received payment after 8 weeks, please call 612-399-1545 or email [RebateCenter@CenterPointEnergy.com](mailto:RebateCenter@CenterPointEnergy.com).

**Rebate checks are issued from our Houston, TX office and expire in 90 days from the date that the check was issued.**
