

# MN ENERGY STAR LAUNDRY REBATE

## TERMS AND CONDITIONS

### EQUIPMENT

The qualifying equipment must be installed in a MINNESOTA home served with natural gas from CenterPoint Energy between January 1 and December 31, 2024.

Equipment must be new and listed on the ENERGY STAR<sup>®</sup> website. Go to [energystar.gov/products](https://energystar.gov/products) to locate eligible dryer brands and models. The equipment cannot be used, refurbished, or installed under warranty replacement.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate	Type of Laundry Product
\$75	Natural gas clothes dryer listed on the current ENERGY STAR <sup>®</sup> website.

### PURCHASER/REBATE RECEIPT

#### Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or retailer.

#### Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

#### Rebate Recipient

Retailers and dealers are not eligible to receive their customer's rebate.

### APPLICATION

#### CenterPoint Energy Gas Account Number

Customers can obtain their gas account number from their monthly bill statement, or online at [CenterPointEnergy.com/MyAccount](https://CenterPointEnergy.com/MyAccount). In addition, the gas account must be activated for the installation address for the rebate to be processed.

#### Proof of Purchase and Installation

A clear copy of the dated retailer invoice/receipt from the retailer to the purchaser must be included with the application. The receipt must describe the laundry equipment that was purchased, including the retailer information. The receipt must match the information on the application. A packing list or recall invoice are not acceptable forms for proof of purchase. Additional documentation may be requested from CenterPoint Energy.

#### Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31st, 2024, for equipment purchased in 2024. In addition, paper applications must be post-marked by the postal service by 12/31/24. We are unable to receive/process rebate requests for equipment installed prior to January 1, 2024.

### PROCESSING

CenterPoint Energy is not responsible if the retailer does not provide accurate information about the rebate amount or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs can be cancelled or changed at any time.

### REBATE

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy receives the completed application. If you have not received a notification or payment after 10 weeks, you may email [RebateCenter@CenterPointEnergy.com](mailto:RebateCenter@CenterPointEnergy.com) or call 612-399-1545.

# MN ENERGY STAR LAUNDRY REBATE

## APPLICATION

### Before you complete the rebate application

1. Verify that the natural gas dryer brand and model number is listed on the ENERGY STAR® website at [energystar.gov/products](http://energystar.gov/products). If the brand and model you purchased is not listed on the website, it does not qualify for a rebate.
2. Online rebate submission. The customer will receive their rebate faster than a paper submission if the purchaser submits the rebate application and the electronic dated sales invoices online. Access the online form at [CenterPointEnergy.com/LaundryRebate](http://CenterPointEnergy.com/LaundryRebate).
3. Confirm that the invoice from the retailer has all the required information listed in the Proof of Purchase and Installation.
