Foodservice Equipment Rebate

TERMS & CONDITIONS

REQUIREMENTS

The qualifying equipment must be new, installed and operational in a Minnesota commercial or industrial business that is served with natural gas from CenterPoint Energy between January 1, 2023 and December 31, 2023. Warranty replacement equipment is not eligible for rebate.

The completed rebate application and proof of purchase must be submitted to CenterPoint Energy by December 31st of the calendar year in which the equipment was installed.

PROOF OF PURCHASE AND INSTALLATION

A copy of the dated sales invoice showing the equipment installed and equipment cost, excluding labor and taxes. Equipment must meet program specification requirements. For rebate listed with CEW (California Energy Wise) or ENERGY STAR[®], refer to CenterPointEnergy.com/Foodservice. CenterPoint Energy reserves the right to limit any rebate and conduct on-site inspection of installed equipment.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account numbers from their monthly bill statement or online at CenterPointEnergy.com/MyAccount. Account number at installation address must be active in order for rebate to be processed.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on the first come, first served basis. CenterPoint Energy issues a cash rebate, not utility credits. Please allow 6-8 weeks from the time that CenterPoint Energy receives your completed paperwork to receive payment. If you have not received your payment after 8 weeks, please call your trade ally representative at (612) 321-5470.

MULTI-FAMILY AFFORDABLE HOUSING PROGRAM: Qualifying properties are eligible for a bonus rebate of 25%

- **Program Eligibility:** The building must be a customer of CenterPoint Energy in Minnesota with a commercial natural gas account and have a minimum of five housing units. A minimum of 66% of the units must be occupied by income eligible households.
- Eligibility can be demonstrated by submitting supporting documentation to your CenterPoint Energy account manager through the following manners:
 - Building certified for the Department of Energy Weatherization Assistance Program (WAP) are automatically eligible.
 - Buildings certified for the Minnesota Low Income Rental Classification (LIRC) are automatically eligible.
 - Use Restrictions or Mortgage Covenants which restrict minimum of 66% of housing units to income eligible households can be used to demonstrate eligibility.
 - Other means of demonstrating eligibility, including (but not limited to) participation in the project-based Section B voucher program or other county or state funded program may be acceptable.

CenterPoint Energy is not responsible if the trade ally does not provide accurate information about the amount of the rebate or equipment eligibility, for incorrect applications that are not submitted in a timely manner. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed any time.

Try before you buy. . .

Visit the Foodservice Learning Center for equipment consultations before making a purchase or the training after you have selected your new natural gas foodservice equipment.
