

Qualifying Customers

CenterPoint Energy commercial rebate programs are available to CenterPoint Energy business gas customers that install qualifying equipment in CenterPoint Energy's service territory.

How to Apply for Rebates

1. Complete rebate application for each installation address. Electronic rebate forms can be found at CenterPointEnergy.com/Foodservice
2. Rebate applications must include a dated copy of the paid, itemized invoice(s). Invoices must include brand, complete model number, purchaser's name and installation address.
3. Dealers/Trade Ally partners participating in the incentive program are required to include your six digit ID number. If you do not know your ID number, please contact CenterPoint Energy at 612-321-5470.
4. If you have questions, please contact your CenterPoint Energy account manager or one of our energy efficiency experts to discuss and/or complete the rebate application form.
5. Keep a copy of this document for your records.
6. **Mail, email or fax completed paperwork to:**
 - Foodservice Learning Center
 - CenterPoint Energy
 - 700 Linden Avenue, West
 - Minneapolis, MN 55403
 - 612-399-1486 (Fax)
 - Ann.Lovcik@CenterPointEnergy.com
7. Rebate payments are made six to eight weeks after the rebate application has been processed. Rebate checks will be issued to the name listed on the CenterPoint Energy account.

Multi-Family Affordable Housing Program: Qualifying properties are eligible for a bonus rebate of 25%.

- Program Eligibility: The building must be a customer of CenterPoint Energy in Minnesota with a commercial natural gas account and have a minimum of five housing units. A minimum of 66% of the units must be occupied by income eligible households.
- Eligibility can be demonstrated by submitting supporting documentation to your CenterPoint Energy account manager through the following manners:
 - Buildings certified for the Department of Energy Weatherization Assistance Program (WAP) are automatically eligible.
 - Buildings certified for the Minnesota Low Income Rental Classification (LIRC) are automatically eligible.
 - Use Restrictions or Mortgage Covenants which restrict minimum of 66% of housing units to income eligible households can be used to demonstrate eligibility.
 - Other means of demonstrating eligibility, including (but not limited to) participation in the project-based Section 8 voucher program or other county or state funded program may be acceptable.

Rules and Requirements

- Rebates apply to new equipment only. Warranty replacement equipment is not eligible for a rebate.
- Equipment must meet program specification requirements and be purchased, installed and operating prior to submitting a rebate application. For rebates listed with CEW or ENERGY STAR®, refer to CenterPointEnergy.com/Foodservice.
- CenterPoint Energy reserves the right to limit any rebate and conduct on-site inspections of installed equipment.
- A completed application and proof of purchase must be completed and **submitted to CenterPoint Energy by December 31 of the calendar year in which the equipment was installed.**
- CenterPoint Energy is not responsible for incorrect or incomplete applications, or for applications that are not submitted in a timely manner.
- Rebate qualifications and amounts are subject to change or cancellation at any time without notice.

Try before you buy . . .

Visit the Foodservice Learning Center for equipment consultations before making a purchase or the training after you have selected your new natural gas foodservice equipment.
