

MN FIREPLACE REBATE

TERMS AND CONDITIONS

EQUIPMENT

The qualifying equipment must be installed in a MINNESOTA home or business served with natural gas from CenterPoint Energy between January 1 and December 31, 2024.

Equipment must be new and listed on the fireplace manufacturer's website. The equipment cannot be used, refurbished, or installed under warranty replacement.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate	Direct Vent Fireplace Products with Electronic Ignition
\$75	Fireplaces, Fireplace Inserts or Free-standing Hearth Stoves

PURCHASER/REBATE RECEIPT

Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or fireplace retailer.

Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

Rebate Recipient

Fireplace dealers and retailers are not eligible to receive their customer's rebate.

APPLICATION

CenterPoint Energy Gas Account Number

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount. In addition, the install address must be an active gas account for the rebate to be processed.

Proof of Purchase and Installation

A clear copy of the dated sales invoice from the dealer/retailer to the purchaser must be included with the application. Required information on the invoice includes **the brand, complete model number, electronic ignition brand name of the fireplace and the dealer information**. The invoice must match the information on the application. A proposal or estimate are not acceptable forms for proof of purchase. Additional documentation may be requested from CenterPoint Energy.

Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31st, 2024, for equipment installed in 2024. In addition, paper applications must be post-marked by the postal service by 12/31/24. We are unable to receive/process rebate requests for equipment installed prior to January 1, 2024.

PROCESSING

CenterPoint Energy is not responsible if the dealer does not provide accurate information regarding the rebate amount and/or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs can be cancelled or changed at any time.

REBATE

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy receives the completed application. If you have not received a notification or payment after 10 weeks, you may email RebateCenter@CenterPointEnergy.com or call 612-399-1545.
