

MS RESIDENTIAL SMART THERMOSTAT REBATE

RETAIL TERMS AND CONDITIONS

EQUIPMENT

The qualifying equipment must be installed in a MISSISSIPPI home served with natural gas from Delta Utilities between January 1 and December 31, 2025.

Equipment must be new and listed on current manufacturer's website. The equipment cannot be used, refurbished, or installed under warranty replacement.

Delta Utilities reserves the right to inspect the installed equipment.

Rebate - Limit of one thermostat rebate per gas service account	Type of Installation	Type of Thermostat
\$75	Replacement or New Construction	Smart and Web-enabled

PURCHASER/REBATE RECIPIENT

Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or retailer.

Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

Rebate Recipient

Dealers and retailers are not eligible to receive their customer's rebate.

APPLICATION

Delta Utilities gas account number

Customers can obtain their gas account number from their monthly bill statement. In addition, the gas account must be active for the installation address in order for the rebate to be processed.

Proof of Purchase and Installation

A clear copy of the dated retailer invoice/receipt from retailer to the purchaser must be included with the application. The receipt must describe the thermostat equipment that was purchased, including the retailer information. The invoice must match the information on the application. A packing list or recall invoice are not acceptable forms for proof of purchase. Additional documentation may be requested from Delta Utilities.

Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31, 2025, for equipment purchased in 2025. In addition, paper applications must be post-marked by the postal service by 12/31/25. We are unable to receive/process rebate requests for equipment installed prior to January 1, 2025.

PROCESSING

Delta Utilities is not responsible if the retailer does not provide accurate information about the rebate amount or equipment eligibility. Rebate qualifications and amounts are subject to change. Delta Utilities Energy Efficiency programs can be cancelled or changed at any time.

REBATE

IMPORTANT: The purchase price of the thermostat must be greater than the rebate amount.

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that Delta Utilities received the completed application. If you have not received a notification or payment after 10 weeks, you may email Rebates@DeltaUtilities.com or call 612-399-1545.

DELTA UTILITIES IS YOUR NEW GAS SERVICE PROVIDER

Delta Utilities acquired your natural gas utility from CenterPoint Energy in April 2025 and is now your natural gas utility. Some services, like billing, payment processing, rebates, and online account management, are still being provided by CenterPoint Energy on behalf of Delta Utilities at this time.

MS RESIDENTIAL SMART THERMOSTAT REBATE

RETAIL APPLICATION

Before you complete the rebate application

1. Confirm that the invoice from the retailer has all the required information listed in the Proof of Purchase and Installation.
2. Verify that the purchase price on the receipt is greater than the rebate amount.
