### **Verification Cost:**

## PROGRAM DETAILS

CenterPoint Energy's ENERGY STAR® Building Verification Assistance Program reimburses commercial building owners the cost of verifying their application to ENERGY STAR®. The ENERGY STAR® application must receive a score of 75 or higher from ENERGY STAR®, in addition to the minimum required score, a licensed professional (LP), either a Professional Engineer (PE) or a Registered Architect (RA), must spend time verifying the building's performance and data for the ENERGY STAR® certification to be valid. CenterPoint Energy will reimburse building owners the cost of the LP's time (up to \$1,500). Both initial certifications and re-certifications are eligible.

## APPLICATION CONTENT

To qualify for reimbursement, customers must provide CenterPoint Energy with a copy of the verified ENERGY STAR® application and documentation of the verification costs.

## DISCLAIMERS

- CenterPoint Energy reserves the right to make the final decision on the total amount of the funding.
- Customer's facility must be served by CenterPoint Energy with natural gas as the primary source of energy to the process being studied, and the customer's accounts must be in good standing.
- This program has limited funding and funding may not be available for submitted evaluations.
- CenterPoint Energy reserves the right to accept or reject any application, evaluation or specific portions of content.
