

WATER HEATER REBATE

LOUISIANA

This rebate form is for new qualifying High Efficiency Gas Water Heaters.

Program dates: July 1, 2024 through Dec. 31, 2024

- 1) Review the **Terms & Conditions** on the back of this form to ensure all program requirements are met.
- 2) The new equipment must be listed in the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR® website. See website: ahridirectory.org or energystar.gov/products.
- 3) A paper rebate application will need to be completed if plumber doesn't submit an application through our dealer online rebate processing system. Application must be submitted in the same calendar year that the equipment was installed.
- 4) Attach a copy of the detailed sales invoice from the company that installed the water heater or if self-installed, the retailer receipt/invoice.
- 5) Make a copy of the completed rebate application for your records and mail paperwork to the address at the bottom of the form.

WATER HEATER REBATE

TERMS & CONDITIONS

The qualifying equipment must be installed in a home or business with natural gas service from CenterPoint Energy in Louisiana between July 1 and Dec 31, 2024. All completed applications must be postmarked by Dec 31, 2024 to be considered for a rebate.

Plumbers/Installers are not eligible to receive their customer's rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

NEW CONSTRUCTION INSTALLATION

For New Construction Installation, the building contractor should negotiate with homeowners to determine who receives the rebate. If you are building a new home you must obtain an invoice from your builder or plumber.

One application must be submitted for each qualifying water heater installation.

Type of natural gas water heater	Usage Bin	Efficiency Rating according to AHRI	Rebate Amount
Tankless 55 gallons or less (less than or equal to 75,000 BTU)	Medium Usage Bin	and 0.64 UEF or greater	\$100
	High Usage Bin	and 0.68 UEF or greater	\$100
Tankless	N/A	0.80 to 0.87 UEF	\$250
Tankless	N/A	0.88 UEF or greater	\$350
Commercial Tank (greater than 75,000 BTU/hr)	N/A	0.88 or greater Thermal Efficiency	\$300

ONLINE REBATE SUBMISSION

Purchaser will receive their rebate faster than a paper form if the plumber submits the rebate application and electronic dated sales invoice through our online dealer rebate processing system.

MAIL-IN REBATE OPTION

A paper rebate application will need to be completed if the plumber doesn't submit an online application on the customer's behalf. The purchaser of the water heater and a representative from the plumber/dealer are required to sign the rebate application.

CENTERPOINT ENERGY GAS ACCOUNT NUMBER

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount.

PURCHASER EMAIL ADDRESS

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission.

PROOF OF PURCHASE AND INSTALLATION

Plumber Purchase/Install: A clear detailed copy of the dated sales invoice/receipt from the plumber to the purchaser must be included with the completed rebate application. Required information on the dated sales invoice includes: Brand name and complete model number of the water heater and the dealer company name and address.

Retail Purchase/Self-Installed: A clear copy of the dated sales invoice/retailer receipt from the retailer to the purchaser must be included with the completed rebate application. The receipt must describe the water heater that was purchased. It cannot be a packing list, recall or generic receipt.

CenterPoint Energy is unable to accept applications that do not include all the requested information.

PROCESSING

Completed rebate forms are processed in the order in which they are received and paid on a first-come, first-served basis. Only one rebate per piece of equipment will be paid. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy's Rebate Center receives your completed paperwork. If you have not received a notification or payment after 10 weeks, you may call 612-399-1545 or email RebateCenter@CenterPointEnergy.com.

Rebate checks are issued from our Houston, Texas office and expire in 90 days from the date that the check was issued.

APPLICATION CHECKLIST

All fields on form are completed
