WATER HEATER REBATE

GUIDELINES

The qualifying equipment must be installed in a home or business with natural gas service from CenterPoint Energy in Mississippi between January 1 and December 31, 2016. All completed paperwork must be postmarked by December 31, 2016 to be considered for a rebate.

Plumbers/Installers are not eligible to receive their customer's rebate.

Building contractors should negotiate with homeowners to determine who receives the rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

Note: For rebate to apply the new equipment must be listed and Energy Factor (EF) or thermal efficiency verified on the current Air Conditioning, Heating and Refrigeration Institute (AHRI) or ENERGY STAR® websites. See: ahridirectory.org or energystar.gov

Natural Gas Water Heater	Energy Factor (EF) according to current AHRI or ENERGY STAR website	Water Heater Rebate
		For new construction or replacement of natural gas water heater
Tank	0.62 - 066 EF*	\$50
Tank	0.67 EF or higher*	\$100
Tankless	0.80 EF or higher	\$250

*If commercial installation, for tank water heaters >75,000 Btuh, minimum thermal efficiency is 88%.

APPLICATION

CenterPoint Energy cannot process a rebate without all the requested information on the rebate form and invoice. Work with your dealer or plumber to complete the entire rebate application and obtain a dated sales invoice showing the detail of what was purchased and installed.

The purchaser of the water heater and a representative from your dealer, plumber or installer (including self-installs) are required to sign the rebate application.

ATTACH PROOF OF PURCHASE AND INSTALLATION

Dealer, Plumber or Retail Installer

Required information on dated sales invoice includes: Purchaser name, installation address, brand, complete model number, serial number of water heater and the dealer company name and address.

Self-Install

Include copy of the dated cash register receipt or retailer invoice that documents the description of the water heater that was purchased and installed. List the name of the installer on the application and sign as both the purchaser and installer.

HELP WITH FORMS

If you have questions filling out this form, please contact your plumber or retailer for assistance.

If you are building a new home, you must obtain an invoice from your builder or plumber.

PROCESSING

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis. Account number must be activated for installation address in order for rebate to be processed. CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time. CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork. If you haven't received payment after this time, call 612-399-1565 or email RebateCenter@CenterPointEnergy.com
