

# Offering you incentives

## Cash incentives for foodservice trade allies/dealers

Put money in your customers' pockets, as well as your own, with CenterPoint Energy's Foodservice Incentive Program. Rebates are excellent sales tools to help your customers minimize their cost for high-efficiency natural gas foodservice equipment while also lowering their operating costs. Each time your customers install new high-efficiency natural gas foodservice equipment, you earn cash incentives.

## Equipment and customer eligibility

- CenterPoint Energy commercial customers who install qualifying equipment in CenterPoint's Minnesota service territory
- Equipment must meet program specification requirements. For programs listed with California Energy Wise (CEW) or ENERGY STAR® ratings, refer to [CenterPointEnergy.com/Foodservice](https://CenterPointEnergy.com/Foodservice)
- Rebates apply to new equipment only

## Start earning trade ally/dealer incentives today!

Three simple steps to incentives:

### 1. Submit a W-9

To comply with tax laws and to pay your incentives, we need a current copy of your W-9 on file every two years. Please fill out an EFT form and incentives will be direct-deposited.

### 2. Receive a trade ally/dealer ID

Once we have your W-9, you'll receive a 6-digit trade ally/dealer ID to track and pay your incentives. Include it whenever you submit rebate applications.

### 3. Send completed application

After installations are complete, submit rebate applications. We will mail your customers' rebates upon processing and send your incentive checks to you quarterly.

*Terms and conditions apply. See detailed qualifications, rules and requirements on the rebate application.*

## Calculate your potential savings.

Before making your purchase, use the Commercial Foodservice Equipment Energy Savings Calculator to:

- See the operating costs for many different types of equipment and high-efficiency equipment
- Learn about the emissions impact your equipment choices may have
