| | | | |
|--|--|--|--|
| People Receiving Environmental Education | # of individuals reached through environmental Programming | | |
|--|--|--|--|

Narrative Questions

Use this section to reflect on the impact of your funding. If there are any outcomes that aren't included in the metrics tables above, feel free to detail them in a relevant question below.

***Successes**

Please share any anticipated or unanticipated program successes.

***Changes in Behavior**

Share any changes in behavior, written or verbal feedback, or any stories that illustrate success that cannot be captured in metrics.

***Lessons Learned**

Provide a summary of any lessons learned, both positive and negative, while executing the program/project and how it will be refined in coming years.

***Community Partners**

List any key community partners who participated in the program/project, how the collaboration transpired, and how that influenced the program/project/event, either positively or negatively.

***Results Summary**

Summarize how results were collected and tracked, and outcomes of the program, both positive and negative. Describe how these outcomes will translate into long-term impact if this program continues.

***Recognition of CNP Foundation Grant**

Please share the ways you recognized support from the Foundation for this grant and any metrics associated with the recognition (i.e. social media engagement, press releases, etc.).
