

INTELLIGENT GRID STATISTICS

AS OF
05.01.2019

INFRASTRUCTURE DEPLOYED

- + Advanced Meters **2,545,948**
- + IG Switching Devices **987**
- + Cell Relays **6,576**
- + Take-Out Points **163**
- + Substations automated **77**

SMART METER STATS

- + Interval read rate **99.8%**
- + Remote service orders **19,107,644**
- + Service order rate **99.5%**

CUSTOMER COMMUNICATION

- + In-Home Displays **3,659**
- + Power Alert enrollees **1,382,295**

RELIABILITY IMPACT

- + Customers restored without phone call **>2,329,835**
- + Outage minutes saved **299 million**
- + Reliability improvement **23.6%**

ENVIRONMENTAL IMPACT

- + Fuel saved **1,910,764 gallons**
- + CO₂ Emissions avoided **17,214 tons**
