### **Terms & Conditions**

These Terms & Conditions apply to use of the CenterPoint Energy's Rebate Form, and are in addition to the Terms of Use that apply to the CenterPoint Energy Website. You can view the [Terms of Use](#) for this website.

This rebate offer is only available to residential homes and businesses served with natural gas from CenterPoint Energy in Mississippi. The completed Rebate Form must be submitted no later than December 31 in the year equipment was installed.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

### **Who Receives the Rebate**

- Heating dealers are not eligible to receive their customer's rebate.
- Building contractors should negotiate with homeowners to determine who receives the rebate.
- Equipment installed under warranty replacement does not qualify for the rebate.
- CenterPoint Energy is not responsible for determining who receives final payment under this program.

### **Required Energy Ratings**

For a rebate to apply the new equipment must be listed and AFUE verified on the current Air Conditioning, Heating and Refrigeration Institute or ENERGY STAR® website. See [AHRIdirectory.org](#) or [energystar.gov](#).

### **Attach Proof of Purchase and Installation**

A clear copy of the dated sales invoice/receipt from the dealer to the purchaser must be included with the completed rebate application.

- Brand and complete model number of the heating system
- Dealer company name and address
- New programmable thermostat brand and complete model number must also be listed on invoice if you are applying for a rebate for the thermostat.

## **Rebate Processing**

- CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility.
- It is the responsibility of the dealer and the purchaser to ensure that the program requirements are met. If program requirements are not met, no rebate will be paid.
- Rebate qualifications and amounts are subject to change.
- CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.
- CenterPoint Energy issues a cash rebate not utility bill credits.

CenterPoint Energy reserves the right to limit any rebate and conduct on-site inspection of installed equipment. All decisions by CenterPoint Energy regarding energy savings, cost savings, rebate amounts and approvals are final. CenterPoint Energy cannot guarantee energy savings and does not rebate equipment under warranty.

Rebate program funds are budgeted on an annual basis.

Some utility rebates are taxable under Internal Revenue Service rules. Customers are responsible for all applicable taxes.

**All rebates must be submitted by Dec. 31, 2023.**
