

CenterPoint Energy Resources Corp.
APSC Docket No. 17-010-FR

NOTICE OF FILING

Notice is hereby given that CenterPoint Energy Resources Corp. d/b/a CenterPoint Energy Arkansas Gas (“CenterPoint Arkansas”) will file with the Arkansas Public Service Commission (“APSC”), on April 5, 2021, an Application for Approval of a Rate Adjustment and Evaluation Report pursuant to its Rate Schedule No. 9, Formula Rate Plan Rider (“Rider FRP”). The Company will request an order approving its proposed Rider FRP Rate Adjustment by September 13, 2021. If the Commission does not issue a final order by such date, the proposed Rate Adjustment shall become effective for bills calculated on and after October 1, 2021.

Information relative to the filing, including the scheduled date and place of the hearing that will be conducted in this matter, can be obtained from Ms. Mary Loos, Secretary of the APSC, 1000 Center Street, Little Rock, AR 72201, who can be reached at mary.loos@psc.state.ar.us or (501) 682-5782. A copy of the Application, Evaluation Report and Related filing documents will be available on the APSC website, <http://www.arkansas.gov/psc/index.htm>, following the Application filing date. This information may be obtained by selecting “Online Services,” “Docket Search,” and inserting the docket number.

Interventions by interested persons should be filed in compliance with the provisions of Rule 4.02(a)(1) related to the contents of the petition and the Rider FRP Formula Rate Protocols related to filing deadlines, which can be found in Rider FRP, Attachment F. Petitions to Intervene must be filed with the APSC within ten (10) calendar days from the Application filing date unless good cause is shown pursuant to APSC Rule 7.04. Limited Appearances should be filed in compliance with the provisions of Rule 4.02(b) both as to the contents of the verified statement of position and the filing deadline, which is twenty (20) days prior to the date set for the hearing except for good cause shown.

The APSC will conduct a public hearing where it will accept oral public comments, on or before August 11, 2021 unless waived by CenterPoint Arkansas and the other Parties (subject to APSC approval). Following the hearing, the APSC will issue a final order in which it resolves any issues in dispute and approves the proposed rate adjustment along with any revisions ordered by the APSC. If a final order is not issued by September 13, 2021, the proposed rate adjustment shall become effective on bills calculated on and after October 1, 2021, subject to refund.

For further information regarding this matter or to make a written public comment, contact the Office of the Secretary of the APSC and reference APSC Docket No. 17-010-FR.
