Please contact the Foundation at CNPGives@centerpointenergy.com for more information about our 2021 grant application process.

2. Q: Does my organization have to be located in an area served by CenterPoint Energy to receive a grant?

A: Foundation Grants are limited to organizations that have their primary address located in a community CenterPoint Energy serves.

3. Q: Are nonprofits required to have a 501(c)(3) designation to apply?

A: Nonprofits applying for a Foundation grant must be tax exempt under Section 501(c)(3) and recognized as a public charity under Code Section 509(a) and in good standing. (If an organization is exempt under Section 509(a)(3), it must be Type I or Type II.)

4. Q: My organization is a current grantee. Are we eligible to apply for additional funding?

A: If your organization has been awarded a grant or received a grant payment within the last 12 months, additional requests for funding will not be considered until after the grant period has ended and a final report has been submitted.

5. Q: Can I apply for both a grant and a sponsorship within the same calendar year or time period?

A: Yes, however, please note that due to the volume of requests received, we will take into consideration all commitments made per organization into our overall decision.

6. Q: Does the Foundation provide funding to daycare or childcare centers to subsidize the cost of tuition, fees, or other childcare related costs?

A: Unfortunately, families across our footprint are facing rising childcare costs. Due to limited resources and a desire to remain fair and equitable, we are unable to fund tuition assistance programs or other childcare related costs.

7. Q: What is the difference between a Foundation grant and an event sponsorship?

A: Foundation grants are provided to IRS designated 501 (c)(3) non-profit organizations. Grants are charitable donations used to fund general operating costs, program costs, initiatives that are large in scope and impact, and other programmatic activities undertaken by nonprofit organizations.

Sponsorships are monetary contributions given in support of events or activities in exchange for advertising and/or publicity. These decisions are made at a regional level.

8. Q: May we submit more than one application at a time?

A: Yes. However, priority will be given to the initial application. If a grant is awarded to an organization that will be considered with evaluating any additional application within the same grant cycle/calendar year.

A: The Foundation board meets quarterly to make decisions on grant applications.

12. Q: What is an appropriate request amount for a Foundation grant?

Funding is ultimately contingent upon the initiative's alignment with the Foundation's priorities and funding availability from the Foundation's annual budget.

13. Q: What e-mail address should be used for the account?

A: When setting up your online account username and password for the application, please ensure the appropriate individual has access to the account. - Make sure you review each of the 3 funding priorities and measurable outcomes prior to starting a new application. This will help you to determine which funding priority best fits your project or initiative.
- Please read each question carefully to ensure all points are addressed.
- Make sure you upload your 501c3 exemption document and not your sales tax exemption document.
- If you have computer trouble, try the following steps – clear your cache, shut down your browser and reopen, try a different browser, and try to log in again.
- We suggest creating a group for your account so more than one person has access in case you have someone leave your organization.
