NOTICE: CenterPoint Energy to begin upgrading natural gas pipelines along Pacific Street and 31st Avenue N. the week of September 7, 2015

August 18, 2015

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

CenterPoint Energy has begun a multi-year construction project to replace approximately 74 miles of large diameter steel natural gas transmission pipeline known as the Belt Line. Rehabilitation of the Belt Line is important to ensure the long-term reliability and continued safety of the pipeline infrastructure serving hundreds of thousands of customers in the metro area.

As a system upgrade project, Minnesota Limited, LLC., an authorized CenterPoint Energy contractor, will replace 470 feet of 20-inch diameter steel pipe along 31st Avenue N. and Pacific Street (see map for detail). Please anticipate 31st Avenue N. and Pacific Street to be closed for the duration of the project. Construction is expected to begin the week of September 7, 2015 and will require approximately one month to complete the work. We will restore the areas affected by our construction in compliance with all applicable federal, state and local regulations.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 140 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas and how to use it safely and efficiently. CenterPoint Energy provides information for you to learn how to be safe around natural gas pipelines at www.CenterPointEnergy.com/BeSafe.

To learn more about this project or to sign up for periodic construction updates, please visit our Construction Zone website at: www.CenterPointEnergy.com/Construction. In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline: 612-321-5329 or our Communications Specialist, Ashley Osteraas: 612-321-5546. Please reference the Pacific Street and 31st Avenue N. project or number 73418959 when calling the Information Hotline.

We appreciate your business and look forward to continuing to serve you.
