NOTICE: CenterPoint Energy to upgrade natural gas pipelines in your neighborhood June – August 2017

*Text-to-subscribe for updates regarding this construction project by sending
CNP MINNETONKABLVD to 468311*

- As a system upgrade project, CenterPoint Energy will be replacing natural gas pipeline in the St. Louis Park neighborhood along W. 29th Street and Minnetonka Boulevard going westward from Vernon Avenue S. to Louisiana Avenue S. (See map below for details.)
- CenterPoint Energy's construction is expected to start in June 2017 and end in August 2017.
- Construction will take place in the areas highlighted below. Lane restrictions are anticipated in areas where active construction is occurring. The lane restrictions are necessary to keep both the public and construction personnel safe.
- **More details on lane closures and approximate dates will be posted to CenterPoint Energy's website at CenterPointEnergy.com/Construction.**

NOTICE: CenterPoint Energy to upgrade natural gas pipelines in your neighborhood June – August 2017

April 24, 2017

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

An open house is scheduled for May 2 from 5:30 p.m. to 7:00 p.m. at the St. Louis Park City Hall at 5005 Minnetonka Boulevard. The meeting will take place in the Council Chambers. Representatives from the City of St. Louis Park as well as CenterPoint Energy personnel will discuss details of the project and will invite questions or comments from the public.

Crews from CenterPoint Energy will begin replacing an existing natural gas pipeline in St. Louis Park in June 2017. Project construction is expected to last until August 2017. Michels Corporation, an authorized CenterPoint Energy contractor, will begin installing natural gas distribution mains along the curb side of westbound W. 29th Street and Minnetonka Boulevard going westward from Vernon Avenue S. to Louisiana Avenue S. (See map on opposite page.) The curb side of northbound Webster Avenue S., Colorado Avenue S. and Hampshire Avenue S. will also have construction between 29th Street W. and Minnetonka Boulevard. (Please view CenterPointEnergy.com/Construction for weekly updates and for information about construction, which will happen in three phases.)

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas and how to use it safely and efficiently. CenterPoint Energy provides information for you at CenterPointEnergy.com/BeSafe.

To learn more about this project or to sign up for periodic construction updates, please visit our Construction Zone website at CenterPointEnergy.com/Construction. In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline at 612-321-5369 or our Communications Specialist, Hannah Gullickson, at 612-321-5546. Please reference the Minnetonka Boulevard and W. 29th Street construction project or the project number 79711586 when calling the Information Hotline.

We appreciate your business and look forward to continuing to serve you.
