## NOTICE: CenterPoint Energy to replace natural gas transmission main in your neighborhood April 19 – Sept. 2017

*Text-to-subscribe for updates regarding this construction project by sending*

***CNP OLDSHAKOPEERD to 468311***

- Michels Corporation, a CenterPoint Energy authorized contractor, will be replacing natural gas transmission main in the City of Bloomington on E. Old Shakopee Road (County Road 1), starting at Old Cedar Avenue S. and working west toward Portland Avenue S.
- Due to favorable weather, CenterPoint Energy's construction will begin on Wednesday, April 19, and last until September 2017. (See CenterPoint Energy's website for project updates.)
- Construction will take place in the areas highlighted below. Lane and parking restrictions are anticipated where active construction is occurring. Two-way traffic will be maintained on E. Old Shakopee Road, as noted on the opposite page. The lane restrictions are necessary to keep both the public and construction personnel safe.

## **NOTICE: CenterPoint Energy to replace natural gas transmission main in your neighborhood April 19 – Sept. 2017**

April 6, 2017

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

**An open house is scheduled for April 18 from 5:30 p.m. to 7:00 p.m. at the Bloomington Public Works Building on 1700 W. 98<sup>th</sup> Street. The open house will be held in the Training Room. Representatives from CenterPoint Energy will discuss details of the project and will then invite questions or comments from the public. Officials from the City of Bloomington will also participate in the meeting.**

Crews from CenterPoint Energy will begin replacing an existing natural gas pipeline located in the utility right of way of E. Old Shakopee Road (County Road 1) in Bloomington on Wednesday, April 19. Project construction is expected to last until September 2017. Favorable weather will allow construction work to begin a few days earlier than originally published on our website. Please, be sure to attend the open house on April 18<sup>th</sup> to hear more about the project and to ask questions. Frequent updates will be available on CenterPoint Energy's website at [CenterPointEnergy.com/Construction](http://CenterPointEnergy.com/Construction).

Michels Corporation, an authorized CenterPoint Energy contractor, will begin installing the natural gas transmission main along E. Old Shakopee Road, starting at Old Cedar Avenue S. and working in the eastbound lanes for about 700 feet. Construction work then shifts to the westbound lanes and continues toward Portland Avenue S. for the remainder of the project. (See map on opposite page.) Posted lane and parking restrictions will be necessary where construction activity is occurring to keep the public and construction personnel safe. Two-way traffic will be maintained on E. Old Shakopee Road. The crews will shift traffic to the westbound lanes when working from Old Cedar Avenue S. to 17<sup>th</sup> Avenue S. and to eastbound lanes when working from 17<sup>th</sup> Avenue S. to Portland Avenue S. Soon after sections of the new gas main are installed, areas where the road, sidewalk or boulevard were disturbed or removed, due to our construction activity, will be restored by CenterPoint Energy's contractor.

CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at [CenterPointEnergy.com/BeSafe](http://CenterPointEnergy.com/BeSafe). In addition, you can contact us directly by calling CenterPoint Energy's Information Hotline at 612-321-5369 or our Communications Specialist, Hannah Gullickson, at 612-321-5546. **Please reference the E. Old Shakopee Road Beltline construction project or number 80573695 when calling the Information Hotline.** We appreciate your business and look forward to continuing to serve you.
