CenterPoint Energy to replace natural gas line for Burnsville 2020 Belt Line Project

*Text-to-subscribe for updates regarding this construction project by sending
CNP BURNSVILLE2020 to 468311*

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

What will CenterPoint Energy's project entail? From early June to fall 2020, CenterPoint Energy's authorized contractor, Michels Corporation, will replace CenterPoint Energy's natural gas main in Burnsville between Highway 13 and CenterPoint Energy's Dakota Station. Work will take place in the State, Dakota County, and the City of Burnsville right-of-ways as well as CenterPoint Energy easements across the Burnsville High School property and between Riverwood Drive and Cliff Road (County Road 32).

What are the anticipated traffic impacts? Businesses along the route will have coordinated closures of any parking lots that are built upon CenterPoint Energy's pipeline easements. Road closures of Riverwood Drive and Riverwood Circle will be required for the replacement of the gas main. The crews' inspectors will work with the business owners to coordinate timing. These closures are necessary to keep both the public and the construction personnel safe.

Crews from CenterPoint Energy's authorized contractor, Q3 Contracting, will restore the areas affected by Michels Corporation's work—typically the boulevard, sidewalks, parking lots, and lawns.

How can I contact CenterPoint Energy? For more information or to sign up for updates, please visit CenterPoint Energy's Construction Zone website at [CenterPointEnergy.com/Construction](https://www.centerpointenergy.com/construction). In addition, you can contact one of the following CenterPoint Energy resources. Please reference the **Burnsville 2020 Belt Line Project**:

- Communications Specialist, Hannah Gullickson, at 612-321-5546
- Information Hotline at csv.constructionservices@centerpointenergy.com
- Restoration Questions at csv.restoration@centerpointenergy.com or 612-321-5477

We appreciate your patience as we continue to upgrade our natural gas system. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at [CenterPointEnergy.com/BeSafe](https://www.centerpointenergy.com/BeSafe). We appreciate your business and look forward to continuing to serve you.
