Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

What is CenterPoint Energy's project?

From March 30 to November 2020, CenterPoint Energy's authorized contractors are continuing to perform work on CenterPoint Energy's Winnetka Avenue 2020 Belt Line Project. Work will take place on Winnetka Ave. between 10th and 42nd Avenues N. and will occur in four phases rather than all at once.

What will happen at Winnetka Avenue & Medicine Lake Road?

Beginning on August 17 and lasting for about two weeks, the crews will cross Medicine Lake Road. During this time, northbound and southbound traffic will remain on Winnetka Avenue. Eastbound traffic on Medicine Lake Road will be closed just east of Winnetka Avenue.

Drivers heading east on Medicine Lake Road can turn north or south onto Winnetka Avenue. Drivers heading north on Winnetka Avenue can turn west onto Medicine Lake Road. A detour route will lead drivers to 36th Avenue N., Douglas Drive and either Medicine Lake Road or Winnetka Avenue.

The crews will be on site to help maintain local access. We appreciate your patience as we continue to upgrade our natural gas system.
