Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

### ***What is CenterPoint Energy's project?***

From March 30 to November 2020, CenterPoint Energy's authorized contractors are continuing to perform work on CenterPoint Energy's Winnetka Avenue Belt Line Project. Work will take place on Winnetka Avenue between 10th and 42nd Avenues N. and will occur in four phases rather than all at once.

### ***When and where will the paving happen?***

From 7 a.m. on June 29 to 6 p.m. on June 30, the crews will pave the east side of Winnetka Avenue from Faribault Street to Duluth Street. Access to properties' driveways on the east side of Winnetka Avenue will be unavailable during this time. Please find alternate parking. We appreciate your patience as we continue to upgrade our natural gas lines and restore the affected roads for traffic.

### ***How can I contact CenterPoint Energy?***
