## CenterPoint Energy to replace natural gas lines in Bloomington

Dear Property Owner,

At CenterPoint Energy, we are committed to providing relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

### ***What will CenterPoint Energy do?***

Beginning in early November and lasting into spring 2022, CenterPoint Energy's authorized contractors will work in Bloomington along the following streets:

- Vincent Avenue S. from Vincent Circle to 90th Street W.
- 91st Street W. from 90th Street W. to Vincent Avenues S.
- 91st Street Circle W.

While Michels Corporation will replace the natural gas mains, connect the natural gas service lines to the new mains, and move any inside residential meters outside, Q3 Contracting will restore the areas affected by Michels Corporation's work.

This November, Michels Corporation will replace the gas mains, and Q3 Contracting will restore the areas affected by their work. In spring, Michels Corporation will return to connect the service lines to the new mains. Q3 Contracting will follow to restore those affected areas.

In areas of active construction, parking will be restricted. Flaggers may be on site at 90th Street W. and Vincent Avenue S. The crews will close the median lane on 90th Street W. at Russell Avenue S. While two-way traffic will be maintained on 90th Street W., drivers can't turn left from westbound 90th Street W. heading south onto Russell Avenue S., and they can't turn left from northbound Russell Avenue S. heading west on 90th Street W.

### ***How can I contact CenterPoint Energy?***

For more information or to sign up for updates, please visit [CenterPointEnergy.com/Construction](https://www.CenterPointEnergy.com/Construction), click on "Project Sites" and "Bloomington." Look for future communications via mailings or a door tag left by the CenterPoint Energy inspector. We appreciate your patience as we continue to upgrade our natural gas system, ensuring system reliability for years to come.
