## CenterPoint Energy to repair natural gas main at Olson Memorial Highway Service Road & Newton Ave. N.

Dear Property Owner,

At CenterPoint Energy, we are committed in providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

For one or two business days beginning June 30, CenterPoint Energy will repair a natural gas main at the intersection of Newton Avenue N. and the Olson Memorial Highway Service Road in Minneapolis. CenterPoint Energy's authorized contractor, Q3 Contracting, will restore the areas affected by CenterPoint Energy's work. During this time, the crews will close the intersection. For drivers heading west on Olson Memorial Highway (Highway 55), detour signs will lead them to Penn Avenue, 8<sup>th</sup> Avenue and Morgan Avenue. Parking will be restricted near the intersection.

For questions, please contact one of the following CenterPoint Energy resources:

- Communications Specialist, Hannah Gullickson, at 612-321-5546

We appreciate your patience as we continue to upgrade our natural gas system. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at [CenterPointEnergy.com/BeSafe](http://CenterPointEnergy.com/BeSafe). We look forward to continuing to serve you.
