CenterPoint Energy to replace natural gas lines in Plymouth this spring

Dear Property Owner,

At CenterPoint Energy, we are committed to providing relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

What will CenterPoint Energy do?

From March 29 to late spring or early summer 2021, CenterPoint Energy's authorized contractors will work in Plymouth along the following streets:

- 15th Avenue N. between 14th Avenue N. and Highway 55 Frontage Road
- Pineview Lane N. between 13th and 15th Avenues N.
- Oakview Lane N. between 11th and 15th Avenues N.
- 11th Avenue N. between Pineview and Magnolia Lanes N.
- 12th Avenue N. between Oakview and Kirkwood Lanes N.
- Magnolia Lane N. between 11th and 12th Avenues N.
- Kirkwood Lane N. between Highway 55 Frontage Road and the cul-de-sac

While Michels Corporation will replace the natural gas main, connect the natural gas service lines to the new main, and move any inside residential meters outside, Q3 Contracting will restore the areas affected by Michels Corporation's work.

What will the traffic impacts be?

At different times, the crews will close the following roads to through traffic. Local access will be maintained. More details will be added closer to the project's start date:

- Pineview Lane N. from 13th to 15th Avenues N. Through traffic will be detoured to 11th Avenue N., Oakview Lane N., and 15th Avenue N.
- Oakview Lane N. from 12th to 15th Avenues N. Through traffic will be detoured to 11th Avenue N., Pineview Lane N., and 15th Avenue N.
- Kirkwood Lane N. from 12th Avenue N. to 15th Avenue N. (the frontage road). Through traffic will be detoured to 12th Avenue N., Oakview Lane N., and 15th Avenue N.
- When the crews work in the northeastern section of 11th Avenue N. and Pineview Lane N., parking will be restricted on both sides of Pineview Lane N. just north of 11th Avenue N. and on 11th Avenue N. just east of Pineview Lane N. Four-way traffic will be maintained.

How can I contact CenterPoint Energy? For more information or to sign up for updates, please visit CenterPointEnergy.com/Construction, click on “Project Sites” and “Plymouth.” Please look for future communications via mailings or a door tag left by the CenterPoint Energy inspector.

We appreciate your patience as we continue to upgrade our natural gas system, ensuring system reliability for years to come.
