NOTICE: CenterPoint Energy to perform Lagoon Ave. and Lake St. project from April 14 to late May 2020

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Project description: CenterPoint Energy's project is anticipated to last from April 13 to late May 2020 with work from CenterPoint Energy's authorized contractors. Crews from Michels Corporation will replace natural gas mains and connect natural gas service lines to the new mains. Crews from Q3 Contracting will restore the areas affected by Michels Corporation's work outside the limits of the city's project.

What to expect: Crews from Michels Corporation will begin on Lagoon Avenue from Hennepin to Girard Avenues, and then from Girard Avenue across Lake Street. The crews anticipate that in early May, they will begin working on the pipe across Girard at Lake Street. This portion is expected to last for about two weeks.

Traffic impacts: Work will occur in segments rather than all at once. For a few business days early in the project's duration, the crews anticipate closing one or more parking and driving lanes at Hennepin and Lagoon Avenues. They will maintain two-way traffic on Hennepin Avenue and one-way on Lagoon Avenue with no detours. Lane and parking restrictions are anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe. Local access will be maintained.

How can I contact CenterPoint Energy? For more information, please visit CenterPoint Energy's Construction Zone website at [CenterPointEnergy.com/Construction](https://www.centerpointenergy.com/construction). In addition, you can contact one of the following CenterPoint Energy resources. Please reference the **Minneapolis – Lagoon Avenue and Lake Street project** or the number **93045451**:

**NOTICE: CenterPoint Energy to perform Lagoon Ave. and Lake St.
project from April 14 to late May 2020**

We appreciate your patience as we continue to upgrade our natural gas system. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at [CenterPointEnergy.com/BeSafe](https://www.centerpointenergy.com/BeSafe). We appreciate your business and look forward to continuing to serve you.
