Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Where will CenterPoint Energy be working now?

- From October 9 to 19, CenterPoint Energy will be working at Nicollet Avenue at Diamond Lake Road. From 7:00 p.m. on October 9 to the afternoon of October 11, the crews will fully close Nicollet Avenue.
- From October 12 to 19, the crews will allow eastbound traffic on Nicollet Avenue. Traffic heading north on Nicollet Avenue can turn right onto Diamond Lake Road during this time. (See the image below.)
- Please continue to patronize local businesses. The sidewalks on Diamond Lake Road will remain open. Parking will be available on the side streets. An inspector will be on site during construction for any questions about access.

How can I contact CenterPoint Energy?

For more information or to sign up for updates, please visit CenterPoint Energy's Construction Zone website at CenterPointEnergy.com/Construction. In addition, you can contact one of the following CenterPoint Energy resources. Please reference the project number **91194154**:

- Communications Specialist, Hannah Gullickson, at 612-321-5546
