NOTICE: Final dates for natural gas main replacement and for restoration of Cedar-Riverside area

October 18, 2019

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

In mid-August, crews from Michels Corporation, CenterPoint Energy's authorized contractor, began replacing natural gas mains in the Cedar-Riverside neighborhood. So far the crews replaced mains on 6th St. S. west of Cedar Ave. S. and Cedar Ave. S. from 6th to 5th Streets S. Below is the anticipated schedule for the remaining natural gas work and the restoration of the areas affected by Michels Corporation's work:

- By October 18, the crews anticipate opening 6th Street S. to vehicular traffic.
- By October 25, the crews anticipate opening Cedar Ave. S. to vehicular traffic and opening parking on the east side of Cedar Ave. S. Two-way traffic is being maintained even during restoration.
- By October 25, the crews anticipate finishing the natural gas main replacements on 5th St. S. from Cedar to 19th Avenues S. and on 19th Ave. S. from 5th St. S. to Riverside Ave.
- By November 1, the crews anticipate opening 5th St. S. and 19th Ave. S. to vehicular traffic.
- During the main replacement and the restoration, 5th St. S. will be closed and 19th Ave. S. will have one-way traffic heading southbound.

Lane or road restrictions are anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe. Local access will be maintained. To sign up for construction updates, please visit our website at CenterPointEnergy.com/Construction.
