Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

Project description: From the week of August 10 to late October 2020, CenterPoint Energy's authorized contractors will perform work along 54th Street W. and Diamond Lake Road W. between Lyndale and Stevens Avenues S. The crews will start at Lyndale Avenue S., working east toward Stevens Avenue S. While Michels Corporation will replace the natural gas main, Q3 Contracting will restore the areas affected by Michels Corporation's work.

Traffic impacts: Approximately two or three blocks will be closed at a time. While Michels Corporation will close two blocks at a time, Q3 Contracting will restore the third block immediately after the natural gas work is done on that block. Lane and parking restrictions are anticipated in areas where active construction is occurring and are necessary to keep both the public and construction personnel safe. The crews will work with residents and businesses on maintaining local access. Detour routes will be posted for any respective closures.

How can I contact CenterPoint Energy? For more information or to sign up for updates, please visit CenterPoint Energy's Construction Zone website at [CenterPointEnergy.com/Construction](https://www.centerpointenergy.com/construction). In addition, you can contact one of the following CenterPoint Energy resources. Please reference the **Minneapolis – Windom Neighborhood project** or the number **91194154**:

We appreciate your patience as we continue to upgrade our natural gas system. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at [CenterPointEnergy.com/BeSafe](https://www.centerpointenergy.com/BeSafe). We look forward to continuing to serve you.
