CenterPoint Energy to postpone service line work north of Diamond Lake Road between Garfield and Pleasant Avenues

*Text-to-subscribe for updates regarding this construction project by sending **CNP WINDOM to 468311***

Dear Property Owner,

At CenterPoint Energy, we are committed to providing timely and relevant information to our customers and the general public to minimize inconvenience or disruption due to our construction activities.

What is the crews' progress? As of the week of September 21, CenterPoint Energy has postponed the natural gas service line work in the Windom Neighborhood along the following streets:

- Garfield, Harriet, Grand and Pleasant Avenues between Diamond Lake Road and 53rd Street W.
- 53rd Street W. between Lyndale and Harriet Avenues

We appreciate your patience and apologize for the confusion. This season, our authorized contractor, Q3 Contracting, will permanently restore the areas affected by Michels Corporation, including the yards, boulevards, sidewalks and road. Further communication will be sent closer to the time when the natural gas work will resume.

In the week of September 21, the crews plan to finish connecting the natural gas service lines to the new mains south of Diamond Lake Road. The natural gas main replacement on Diamond Lake Road between Lyndale and Stevens Avenues S. will continue into late fall of this year.

Again, we appreciate your patience and wish you a well and safe season.

How can I contact CenterPoint Energy? For more information or to sign up for updates, please visit CenterPoint Energy's Construction Zone website at [CenterPointEnergy.com/Construction](https://www.centerpointenergy.com/construction). In addition, you can contact one of the following CenterPoint Energy resources. Please reference the **Minneapolis – Windom Neighborhood project** or the number **91194154**:

CenterPoint Energy to postpone service line work north of Diamond Lake Road between Garfield and Pleasant Avenues

We appreciate your patience as we continue to upgrade our natural gas system. CenterPoint Energy has provided safe, clean and efficient natural gas service to Minnesota communities for more than 145 years. We are proud of this record and strive to improve it by educating the public about the benefits of natural gas at CenterPointEnergy.com/BeSafe. We appreciate your business and look forward to continuing to serve you.
